

MOFFETT

CANADA'S #1 TRUCK-MOUNTED FORKLIFT

M8NX
 SERIES
 THE HIGH CAPACITY SPECIALIST

HIGH CAPACITY

MOFFETT M8 NX – GOOD BUSINESS SENSE

MOFFETT M8 NX series forklifts refined design helps you get a lot more out of them – inside and out. More comfort, easier maintenance, enhanced styling, and ground-breaking new features like *Ground Start*® and the available remote *Ground Mount*® systems take safety and productivity to whole new levels.

Moffett M8 NX models are high-capacity specialists – built for the heaviest jobs in challenging industries like residential and commercial construction, building supply and general cartage. With capacities of up to 3,628 kg (8,000 lbs), they transfer heavy loads quickly and safely in the most challenging terrain and under the most demanding situations.

M8 NX 4-Way models easily negotiate tight areas with long loads. Or choose Moffett's unique Pantograph (PL) reach models. Their patented *Lift Assist*® arms go way beyond reach for true full-capacity same-side unloading – even double-stacked. M8 NX models are incredibly powerful and compact enough to fit almost any truck or trailer.

CANADA'S BEST SELLING TRUCK-MOUNTED FORKLIFT JUST GOT EVEN BETTER!

When you invest in a **MOFFETT M8 NX** model, you get a state-of-the-art, next-generation truck-mounted forklift that delivers top performance, is easier than ever to maintain and offers the maximum in comfort and safety. And don't forget, one person can mount and dismount in under a minute. So your Moffett M8 NX spends more time at work – making more trouble-free deliveries and saving you more money every day.

No matter which M8 NX model you choose, you know you'll be getting the strongest, top-performing, best engineered and most reliable truck-mounted forklift in the world, with patented features + capacities unavailable anywhere else.

No wonder Moffetts continue to be Canada's #1 selling forklifts.

HIGH LEVEL PERFORMANCE

BETTER PRODUCTIVITY + PROFITABILITY PLUS NX SAFETY + SIMPLICITY

- **One-person, one-minute mount + dismount**
- **Same-side full capacity unloading** – even double-stacked – with *Moffett Lift Assist*® on Pantograph models
- **Lower maintenance + faster, easier service**
- **Lower onto the kit at the touch of a button** with *Lower & Go*®
- **Save time, money + reduce effort.** *Ground Start*™ gets you going without first climbing on the forklift
- **Lower emissions and fuel costs** with DPF-Free Kohler Tier 4 diesel engine. No DEF or regeneration burn times
- **Mount on and off the truck without ever getting on your forklift** with available *Remote Ground Mount*® system
- **Seat stays clean and dry** with *COVER n GO*™ retractable cover
- **Best safety, comfort, protection + visibility:** Industry-standard left side seating, interlocking seatbelt, positive locking side door with armrest, FOPS /ROPS certified overhead guard, unobstructed 360° views and LED transport + work light packages

TIER 4 KOHLER TURBO ENGINE IS FIELD-TESTED, DPF-FREE AND PROVEN TO LOWER FUEL COSTS + EMISSIONS

STATE-OF-THE-ART REMOTE *GROUND MOUNT*® SYSTEM LETS YOU SAFELY MOUNT + DISMOUNT FROM REAR OR TOP WITHOUT EVER CLIMBING ON YOUR TRAILER OR FORKLIFT. AVAILABLE ON ALL MODELS

55.3

STANDARD

CANADA'S WORKHORSE - 3-WAYS TO FIRST

The M8 55.3 NX is the flagship of the M8 NX series. Famous for its winning combination of exceptional stability, performance + reliability, it's Canada's top choice for a versatile truck-mounted forklift.

NEW ENGINE TECHNOLOGY WORTH BOASTING ABOUT

All M8 NX models boast a powerful Tier 4 Kohler 56 HP turbo diesel engine for smooth, clean, quiet operation. This DPF-free engine has no particulate filter to clog. It's proven and field-tested to lower emissions and fuel costs.

M8 NX AT A GLANCE

55.3 / 55.3PL / 55.4 / 55.4PL

LIFTING CAPACITY 2500 kg / 5500 lb

LIFT HEIGHT (STD.) 3040 mm / 120 in

T4 ENGINE POWER 56 hp / 42 kW

PANTOGRAPH REACH +
PATENTED LIFT ASSIST®

PANTOGRAPH WITH LIFT ASSIST® – LONG REACHES + FULL CAPACITY SAME- SIDE LOADING

The M8 55.3PL NX has all the robust capabilities, safety and performance features of the standard model, with Pantograph reach (PL) – and one **HUGE Moffett pantograph advantage** – patented *Lift Assist*® arms go beyond reach to change the way you work. They provide same-side full capacity unloading across the width of the truck – even double-stacked. With Pantograph and Moffett *Lift Assist*® arms, you'll do more, faster, earn more and never have to turn your truck around again.

PATENTED MOFFETT *LIFT ASSIST*® ARMS
ALLOW THE PANTOGRAPH OPERATOR TO
SAFELY REACH CROSS-DECK AND PICK UP
FULL CAPACITY, EVEN DOUBLE-STACKED

THE HEAVYWEIGHTS

BIG – THE M8 70.3 NX 7000 LBS

The M8 70.3 M8 NX is Canada’s choice for a versatile, heavy-duty truck-mounted forklift. With its higher capacity and class-leading rough terrain capabilities, it’s ideal for the toughest job sites that call for carrying extra-heavy loads.

BIGGER – THE M8 80.3 NX 8000 LBS

The M8 80.3 M8 NX is the highest capacity heavy-duty truck-mounted forklift in Canada. It’s found success in utility/general cartage, moving and storage, and container handling – anywhere huge, tough jobs are found.

BIGGER PLUS 4-WAY THE M8 80.4 NX

The M8 80.4 NX delivers all the power-packed advantages of the 80.3: capacity, performance and a T4 Kohler engine, *plus* 4-Way multi-directional capability for maximum maneuverability with long, heavy load lengths.

M8 NX AT A GLANCE

70.3 NX
